KAST

SOFT SEATING, RECEPTION & BREAKOUT

# KAST

## SOFT SEATING, RECEPTION & BREAKOUT

Kast is characterised by a single piece shell with a choice of mechanism which is concealed within the seat and simply adjusted by semi concealed triggers. Kast's strength lies in its innovative high resistance inner structure, adding to the environmental story of the chair.

Available with or without elegant die-cast aluminium armrests in a selection of colours which move with the body of the chair. With the technology hidden inside the shell and covered by a wide range of fabrics the underside is tidy and compact.
