Ashford

Ashford reception has been designed as a modular reception system allowing you to create almost any sized unit. Risers can be added or left off allowing for low level wheel chair viewing. Steel corner sections add a light and modern profile while durable 25mm MFC tops cope with everything a busy reception has to endure.

Arctic Summer

Arctic Summer was designed by Charles Kapakian . The design incorporates simplicity and modern street art graffiti.

5
Year
GUARANTEE

Designed by Charles Kapakian

Charles Kalpakian was born in Beirut and grew up in Paris. His inspiration comes both from the urban culture and the visual features of his oriental origins. This double approach allows him to create objects with a rich identity.
