04 Log

Design Manuela Busetti, Andrea Garuti, Matteo Redoelli

Art. 365

Log è una sedia completamente imbottita, costituita da un unico volume compatto nel quale è ricavata una comoda seduta che avvolge leggermente il corpo, senza intralciare i movimenti.
Log is a fully upholstered one-volume-seating that welcomes the body gently, without hindering movements.

Rivestimento disponibile: categoria C, G, da H20 a H35, da H80 a H90
Covering available: category C, G, from H20 to H35, from H80 to H90

Art. 365

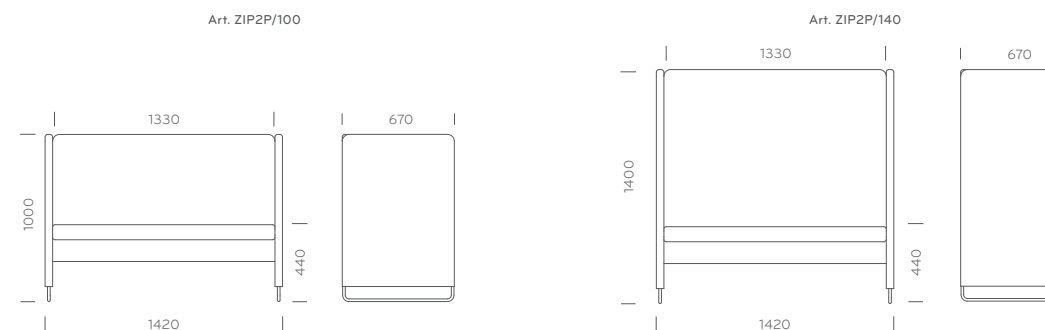

Grazie all'utilizzo delle migliori tecnologie per gli imbottiti, Log riesce a contenere al massimo il suo peso. La struttura in acciaio è immerso in schiuma di poliuretano espanso.
Using the best upholstery technologies the weight of Log has been minimized.
The steel structure is covered by polyurethane foam.

Art. ZIP2P/100 - ZIP2P/140

Zippo è un divanetto imbottito pensato per gli ambienti ufficio e contract e caratterizzato da linee pulite ed essenziali. Una nicchia di privacy per isolarsi dall'ambiente circostante, un luogo perfetto per tenere una riunione, lavorare al pc o parlare al telefono. L'altezza e la conformazione dei fianchi e dello schienale garantiscono un'ottima capacità fonoassorbente, l'anima della seduta in poliuretano ignifugo a densità variabile e l'inclinazione dello schienale offrono un comfort assoluto.

Zippo is an upholstered sofa conceived for office and contract environments, featured by essential and fairly lines. A niche of privacy where being isolated from the surroundings, a perfect place for a meeting, working on computer or talking on the phone. The height and structure of side and back guarantee a good soundproof capacity. The seat, made of fire retardant polyurethane foam with variable density and the slope backrest offer an extreme comfort.

Rivestimento disponibile: categoria A, C, G, H
Covering available: category A, C, G, H

Coefficiente assorbimento acustico: 100 Hz=1,46 (EN ISO 354:2003)
Sound absorption measurement: 100 Hz=1,46 (EN ISO 354:2003)

ZIP2P/100
